STORAGE + WORK TABLES WITH A GRAPHIC FORM

NEAT

edsbyn

NEAT Storage is available in width 800, 1200 and1600. Height 2 x A4, 3 x A4, 4 x A4 and a 1 x A4 upper unit. Crest top in marble.

A NEAT FAMILY WITH A GRAPHIC FORM

Neat is a family of desks and storage units with streamlined and airy design for the modern office.

The Neat table series features a variety of sizes and functions catered to fit most of the requirements and needs of a modern workplace, including well-designed technology panels and Neat electrical and network sockets.

With Neat storage you can combine the material components in any number of ways, allowing you to put a personal touch on the interior.

Neat – offering dynamic solutions and catering to all workplace functions.

Design: TEA, Thomas Eriksson Architects

NEAT HiLo Dual

The two-piece canvas consists of a fixed-technology panel and front sliding component for accessing the cable tray. The technology panel is a decorative and accessible solution for your electrical and network sockets needs, and serves as an integral element of the table's design.

NEAT HiLo Dual, Sit 'n' Stand work tables, black stand, tabletop in white glazed ash.
EASE table screens, fabric: Dodan 7020 (19), Divina MD (613).
FEATHER swivel chairs, chrome stand, fabric: Remix 2 (272).

NEAT HiLo Single

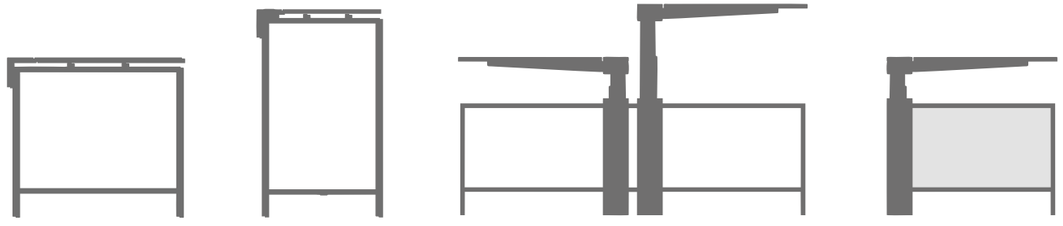
NEAT HiLo Single, Sit 'n' Stand work table, dark chocolate (8019) stand, table top and sides in white glazed ash.
Screen, fabric: Remix 2 (612) pink mixed.
FEATHER Swivel chair, chrome stand, black armrest, seat and back in leather: Elmosoft (54035).

NEAT Hi

NEAT table Hi, black stand, table top in white HPL (high pressure laminate).

NEAT Lo

NEAT table Lo, white stand, table top in white glazed ash.



NEAT Lo

NEAT Hi

NEAT HiLo Dual

NEAT HiLo Single

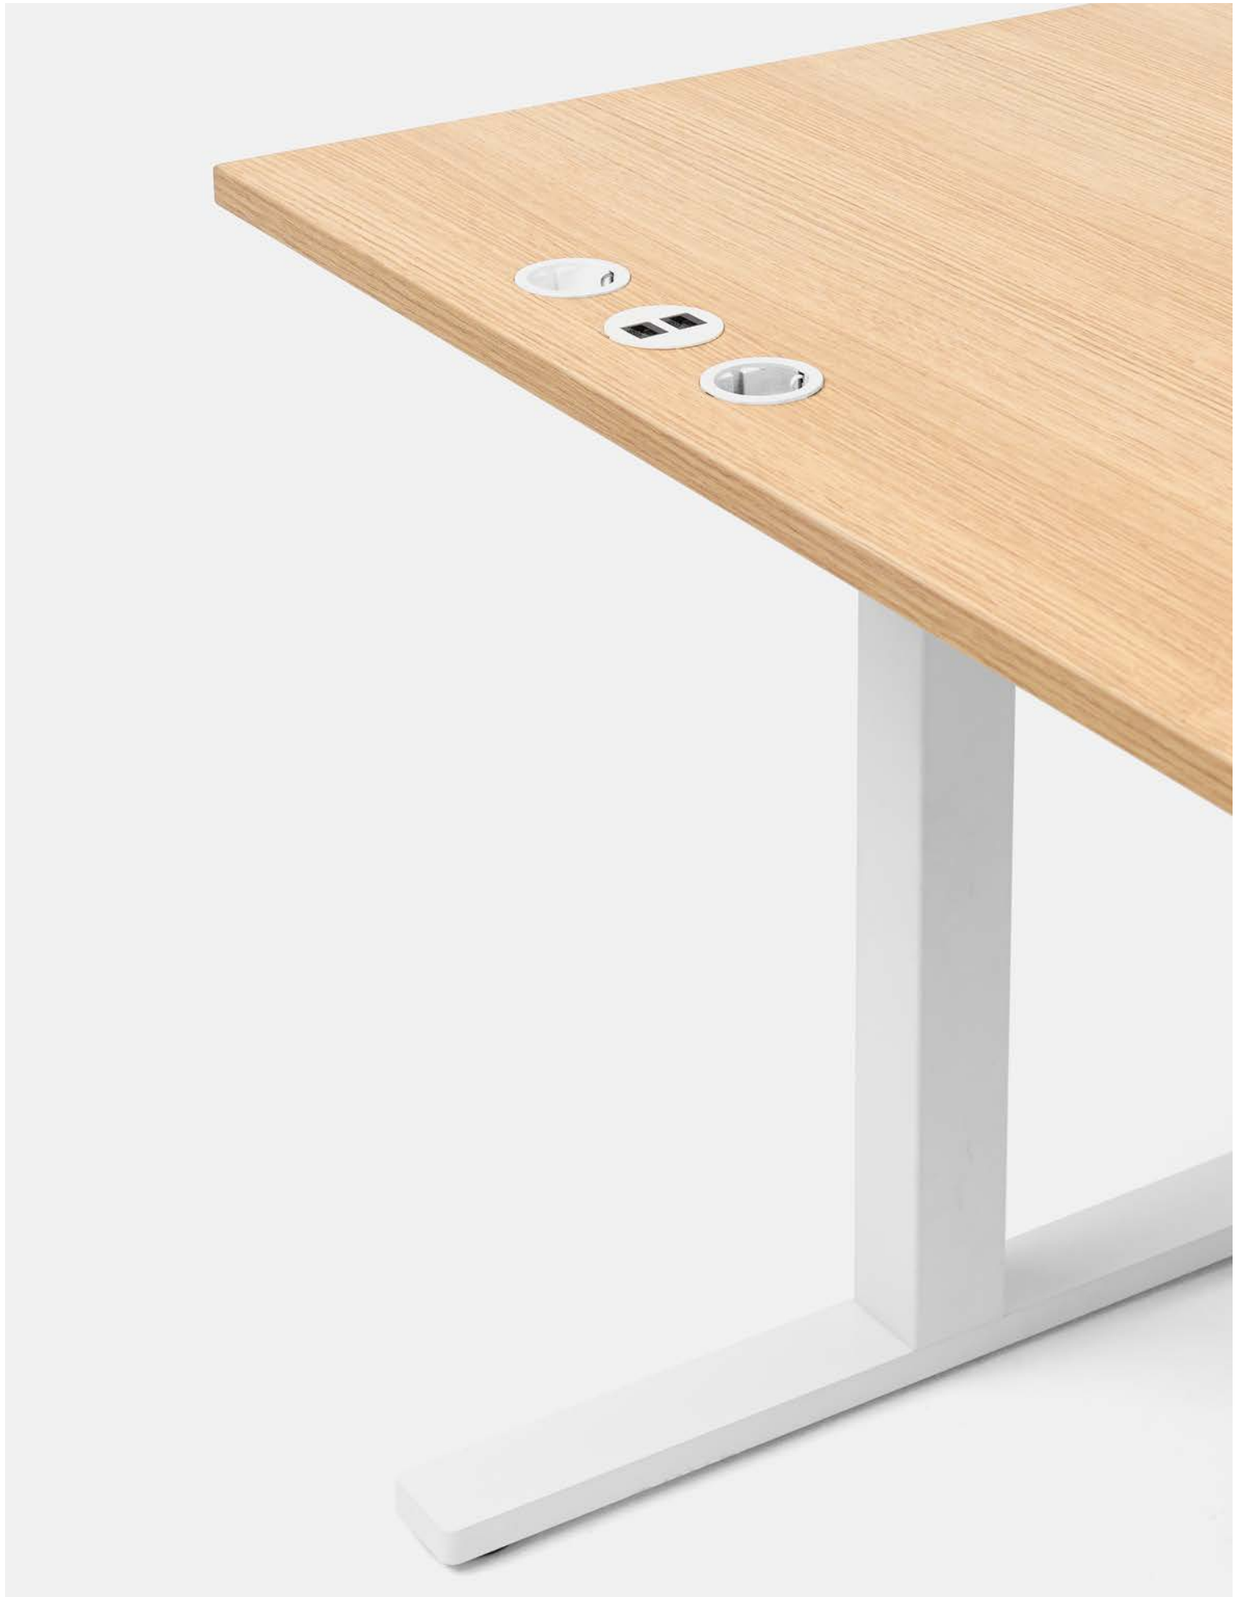
NEAT T-Net Dual

NEAT T-Net Dual, 2 x (1200 x 800), black electric stand, table top in white glazed ash. Black NEAT Electric sockets in black at each table. Cable track.
Desk screen 2400 x 700, fabric: Remix 2 (933).
NEAT Storage, 3 x A4 (800 mm), white cabinet (S 0500-N), black stand, uper open inside in white glazed ash, sliding doors in light grey (S 2500 N) and white pigmented ash.
NEAT Wardrobe, 3 x A4 (600 mm), white cabinet (S 0500-N), black stand, door in white pigmented ash.
FEATHER Swivel chair, chrome stand, seat and back in leather: Elmosoft (54035).
FEATHER Swivel chair, chrome stand, seat and back in fabric: Kvadrat Revive 1 (414).
FEATHER Chair, lacquered in fir green (6009), seat and back in fabric: Febrik Pitch (grass).

NEAT T-Net Single

NEAT T-Net table, white stand, table top in oak.
NEAT Storage, height 2 x A4, width 1600, depth 385, white cabinet (S 0500-N), back and sliding doors in oak, drawer cassette in mist green (S 2010-B70G).

NEAT T-Net table, 1600 x 800, white stand, table top in oak veneer, NEAT Sockets (electricity and network).
NEAT Tower 2 x A4, light grey cabinet and front (S 2500-N).
EVE 300S, office chair, stand in polished aluminum, fabric: Remix 2 (123).



NEAT SOCKETS

The idea of Neat sockets is for all of the connections required in today's workplaces to be easily accessible. For this reason they are installed clearly visible in the table top. They also act as a decorative feature in their own right.

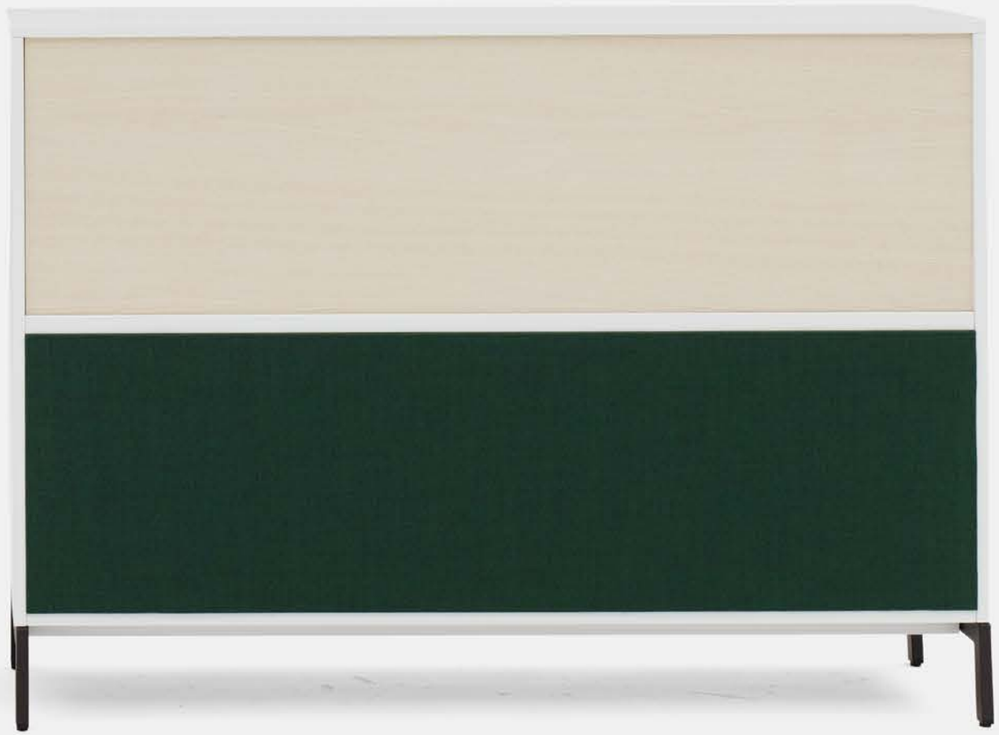
Neat connections are available in both white and black version for electricity, USB, HDMI and CAT6 (RJ45) network outlets.

NEAT T-Net Single has a massive foot with the same radius as other details of the NEAT family.

NEAT Storage, height 4 x A4, width 800, depth 385, white cabinet (S 0500-N) and white stand. Inside white glazed ash. Back white glazed ash and white (S 0500-N).
Sliding doors, white frosted plexiglass, white glazed ash, white (S 0500-N), pink (S 1510-Y80R) and dark blue (S 8010-R70B).
Drawer cassettes in white (S 0500-N) and white glazed ash.

By removing excess space from the cabinet, both in terms of height and depth, and using slender dimensions for the frame and doors, we have given Neat its own unique expression, which is greatly appreciated by architects and interior decorators. Match materials and colours to your own desires. For example, you can choose different colours or veneers for the inside. Doors and drawer inserts also enable creativity.

Neat storage units are as attractive from the back as the front and provide a range of variation opportunities. Match materials and colours to your own desires.



NEAT Storage, height 2 x A4, width 1200, depth 385, white cabinet (S 0500-N), black stand, back in white glazed ash and textileboards in fabric: Remix 2 (612) pink mixed and Remix 2 (982) green mixed.

NEAT COMMAND

ACCESS

Access to parking garages, entrances, departments, private lockers or technical equipment such as printers and projectors.

RESERVATION

Book lockers, workplace, conference etc.

CONTROL

Control lighting etc. so it is used only when the workplace is staffed.

REGISTRATION

Employees sign for purchases from the canteen, vending machines etc. and have the cost deducted directly from their salaries.

NEAT Command – one card, many possibilities.

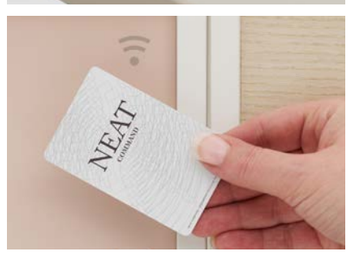
NEAT SOCKETS

The idea of NEAT Sockets is for all of the connections required in today's workplaces to be easily accessible.
For this reason they are installed clearly visible in the table top. They also act as a decorative feature in their own right.

NEAT connections are available in both white and black version for electricity, USB, HDMI and CAT6 (RJ45) network outlets.



NEAT COMMAND

Complete your storages and desks with NEAT Command access control for a convenient daily life.

NEAT Command (lock) also works perfecly with other access control systems.

ACCESS – to parking garages, entrances, departments, private lockers or technical equipment such as printers and projectors.

RESERVATION – book lockers, workplace, conference etc.

CONTROL – lighting etc. so it is used only when the workplace is staffed.

REGISTRATION – employees sign for purchases from the canteen, vending machines etc. and have the cost deducted directly from their salaries.

NEAT Command – one card, many possibilities.

www.edsbyn.com

NOTE

With the reservation of printing errors and the right to make adjustments without prior notice. The colours can vary due to the printing process.

NEAT IS AN EDGE FAMILY

CLASSIC

This segment, with a focus on price, is aimed at companies and organisations that want to create workplaces for a low price. With simple but stable designs in combination with fewer versions, materials and colours, prices are kept down.

BUSINESS

The segment with a focus on function. Classic is aimed at organisations and companies that want to create customer adapted and functional workplaces with long lifetimes for a low cost over the product life-cycle.

EDGE

The segment with a focus on design, aimed at companies and organisations that see a well-designed workplace as an important competitive advantage, both when it comes to employer branding to attract and retain competent employees and for reinforcing the brand through the office.

CERTIFICATES

CERTIFIED PRODUCTION

Edsbyverken is certified according to quality and environmental management standards: ISO 9001 and ISO 14001.

We expect materials from our suppliers to fulfil the criteria for environmental certification – and we require our suppliers to accept ethical and social responsibility, just like Edsbyn does.

CERTIFIED PRODUCTS

Neat work desks and storage units are certified according to Möbel- fakta. This means that:

Technical quality standards for sustainability, stability and safety and for surface resistance.

Environmental standards for materials and products.

The environmental standards primarily relate to raw materials and components used during manufacture, while the product standards relate to the completed item of furniture.

Producers and subcontractors undertake systematic occupational health and safety work and comply with current occupational health and safety legislation.

THE NORDIC ECOLABEL

Edsbyn was the first manufacturer of office furniture to be Nordic Ecolabelled.

Our latest example of a Nordic Ecolabelled product is the Ease screen system which is manufactured from a material normally used for sound absorption in vehicles. It consists of recycled textiles and PET bottles, which makes Ease a good example of sustainable product development.

SUSTAINABILITY SINCE 1899

FSC APPROVED FORESTRY

The forest and access to wood was one of the main factors when Edsbyn began in 1899. At an early date, we were economically (and ecologically) conscious of making the most of our raw materials. The Fanett Windsor chair, of which over 5 million were sold, was produced from waste wood from our ski manufacturing. Waste wood is today supplied to the power station and our wood comes from FSC approved forestry.

EASE, our latest screen system, is manufactured from recycled textiles and PET bottles. We still think about recycling, now as then.

At Edsbyn, we work constantly to improve our processes and furniture production – in order to be the obvious choice for those who select office furniture on the basis of environmental and sustainability factors.

THE WORKING OFFICE

The human being is social.
So ideas and development take off
when we meet and work together. This means
the office is necessary as a meeting place even if
the work itself is changing. And new ways of working
demand new kinds of furniture that help the
office to function and the staff to deliver.
We call this
Edsbyn – the working office.
